

## Bulldogs biting again

**Dornbirn/10-08-2016 - The Dornbirner Eishockey Club celebrated an important 4:2-home win against the HDD Olimpija Ljubljana in the Erste Bank Eishockey Liga. Thanks to Saturday night's victory the team from Vorarlberg managed to make up ground on the mid-table.**

19 hours after the bitter home loss against Znojmo, the Bulldogs intended to make amends for the defeat. No question about that - against Ljubljana, the bottom team of the league, the DEC needed a victory. And this time the home team did start off very well. The score board in the Messestadion read 2:0 after the first period. Dustin Sylvester (5.), in collaboration with his brother Cody, plus Jamie Arniel (20.) with a rebound took care of the goals. In the meantime the Bulldogs forewent some additional scoring chances, for example D'Alvise, who only hit the frame, and Achermann, who - all by himself in front of the goal - got denied by Olimpija's young back-up Jakob Raisp. The Bulldogs stayed on top, although the visiting team was able to narrow the gap twice. First Jonathan Harty (25./pp1) succeeded on a powerplay. Then the former Villach-player Adis Alagic (31.) got to reduce the arrears. Three minutes earlier Oliver Achmerann (28.) had taken care of the home team's 3:1 by outsmarting Ljubljana's goalie. Eventually Charlie Sarault put the Bulldogs two ahead again (34.). So the score was 4:2 after the second.

### No goals in final period

The team from Vorarlberg kept on dominating in the third period as well, but did miss out on adding more goals. Then, due to some evitable penalties in the final minutes of the match, the DEC was playing shorthanded a couple of times - scary moments for the home team. But Bulldogs-goalie Florian Hardy kept a clean sheet for the remainder of the game. Dornbirn landed a 4:2-victory and reaped three points.
