

# Bulldogs snappy

**Dornbirn/10-28-2016 - In round 15 of the Erste Bank Eishockey Liga the Dornbirner Eishockey Club took revenge in the west derby against the HC TWK Innsbruck „The Sharks“. The Tyrolese had won the first encounter of the season 5:2, Friday night the team from Vorarlberg hit back with a 5:1-victory.**

The first period turned out to be evenly matched. Both goalies, Florian Hardy in the Bulldogs-goal and Andy Chiodo on the Innsbruck side, defeated the offensive attempts of the opposing team. It did not take long in the second period for the Dornbirn fans to celebrate. 25 seconds after the starting whistle Chris D'Alvise (21.) distracted a shot by Kevin Schmidt, unsaveable for Chiodo. A few minutes later Matt Siddall (27.) scored his first goal of the season, finishing off a nice move, a beautiful backhand pass by Jamie Arniel. While on a powerplay the home team took care of the 3:0. First Arniel missed twice, then Dustin Sylvester (35./pp) shoved the puck across the line. But the opponent stroke back immediately. Mario Huber (35.), Einser Auto Youngstar in the month of September, turned a bully to account and made for the 3:1 after the second period.

## **Bulldogs wide awake**

As in the second period the Bulldogs scored right away at the start of the final 20 minutes: This time it took 36 seconds for D'Alvise (41.) to put Dornbirn three goals up again. And when Arniel (49.) passed Chiodo for the fifth DEC-goal, everybody in the Messehalle knew the three points would stay in Dornbirn on this evening.
