

# Bulldogs score against Fehervar as well

**Dornbirn/01-29-2017 – The Erste Bank Eishockey Liga match between the Dornbirner Eishockey Club and Fehervar AV 19 remained an open game for the most part, and turned into a real Play Off fight. In the end the Bulldogs succeeded thanks to a 1:0-overtime victory.**

Prior to this encounter both opponents had gathered four points in the Qualification Round. To keep the Play Off dream alive winning was an obligation for the Magyars as well as for the team from Vorarlberg. Dornbirn and Fehervar were not hiding though, and instead pushing for the lead right from the start. The first round remained goal-less. During the second period the crowd got to see the first goal by the Bulldogs. Following a nice play that involved several players, the puck found its way in between the pipes. But the referees decided on no goal. Zoltan Hetenyi's goal had been moved beforehand.

## **Decision in OT**

Since the two coaches, Dave MacQueen and Benoît Laporte, were playing four lines consistently, the final period was being full of verve as well. Both teams had several scoring opportunities, but no goal got scored. Florian Hardy on Bulldogs side, as well as Zoltan Hetenyi for the Red Devils kept a clean sheet. Thus the match went into overtime, in which the home team secured the extra point: Brock McBride (64.) took care of the one and only goal of the exciting game.
